Help provide books for an approved literacy destination. We work with you on the recipient, titles, quantity, delivery, and appropriate sponsor recognition.

## Read & Treat / Reading Rewards

Connect reading with a coupon, product, activity, experience, or other incentive. Restaurants, retailers, attractions, service businesses, and larger companies can explore a partnership shaped around their community and goals.

## Larger company sponsorships

We are open to discussing support for multiple classrooms, schools, community programs, or larger book distributions. Email us to talk through what could work for your organization.

**JOIN OUR RECIPIENT DATABASE**

# Schools: would you like to receive sponsored books?

Homeschool co-ops, charter schools, private schools, public schools, and other learning communities are invited to express interest in receiving free books through future sponsor-funded opportunities.

## Help us learn about your readers

Joining our recipient database helps us understand your school or group and consider it when a suitable sponsorship becomes available. Books are funded by participating sponsors, so placement on the list does not guarantee free books or a delivery date.

### WHEN YOU EMAIL, PLEASE INCLUDE

- School or co-op name, location, and contact person.
- Email address and the age range or grades you serve.
- Approximate number of readers and how the books would be used.

We will follow up to discuss your interest and the next steps for being considered for future sponsored-book opportunities.
